Dear Marcie:

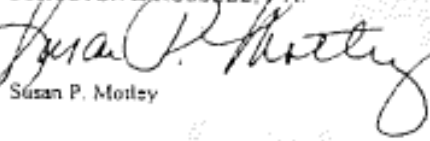

As you are aware, our law firm represents Wal-Mart Stores East, Inc. ("Wal-Mart") in the processing of the above described request for a local land use plan amendment to redesignate the above-described property on the Davie Land Use Plan. In light of staff's recommendation of denial and pursuant to Section 12-302.1 of the Davie Land Development Code, we are requesting deferral of the public hearing on the above-described application which is currently scheduled for April 12, 2000.

In accordance with Section 12-302.1, public hearings for planning and development applications under Article 10 (which includes land use plan amendments) states that public hearings may be deferred or tabled twice by the applicant and automatically rescheduled. As this is our second request for a deferral, please reschedule this matter for the next regularly scheduled meeting of the Davie Planning and Zoning Board which I believe is April 26, 2000.

Thank you for your cooperation and assistance. I apologize for any inconvenience this deferral may cause. By copy of this letter I am informing Amy Galloway, counsel for Exotic Acres, of this deferral so that she may contact her clients.

Sincerely,

RUDEN, McCLOSKEY, SMITH,
